Monthly fees are calculated based on an annual fee and divided into **NINE** monthly payments for your convenience. Therefore, the tuition is the same amount each month regardless of the number of school days in the month or the child's attendance during the month.

Tuition is due on the first program day of each month. (September through May) If tuition is not paid by the 10th of the month, a \$15.00 late fee will be charged. Tuition that remains unpaid on the 5th day of the following month for a previous month's tuition may result in the child's enrollment in the program being forfeited. There is a \$30.00 fee for returned checks.

Requests for tuition statements for income tax purposes must be submitted to the director in writing.

It is preferable to us if you pay your tuition with a personal check. If you must pay with cash, please be sure you have the exact amount, as we do not keep cash on hand for change. If you would like a monthly receipt, please let us know in writing with your first month's tuition payment, and we will issue a receipt each month.
